14 ADVANTAGES FOR VISITORS

A MODERN PROTEIN MACHINE IN YOUR FITNESS CLUB

04

A MODERN PROTEIN MACHINE IN YOUR FITNESS CLUB WILL PROVIDE YOUR VISITORS WITH

- Closer and more accessible high quality sport nutrition
- Economy of time that can be devoted to training
- More comfortable trip to the gym (the bag is more lightweight, no need to premake the nutrition at home)
- Diversified menu (with milk or water, 8 tastes and various volume)
- Affordable price (all convenient payment methods)
- Always perfect blending

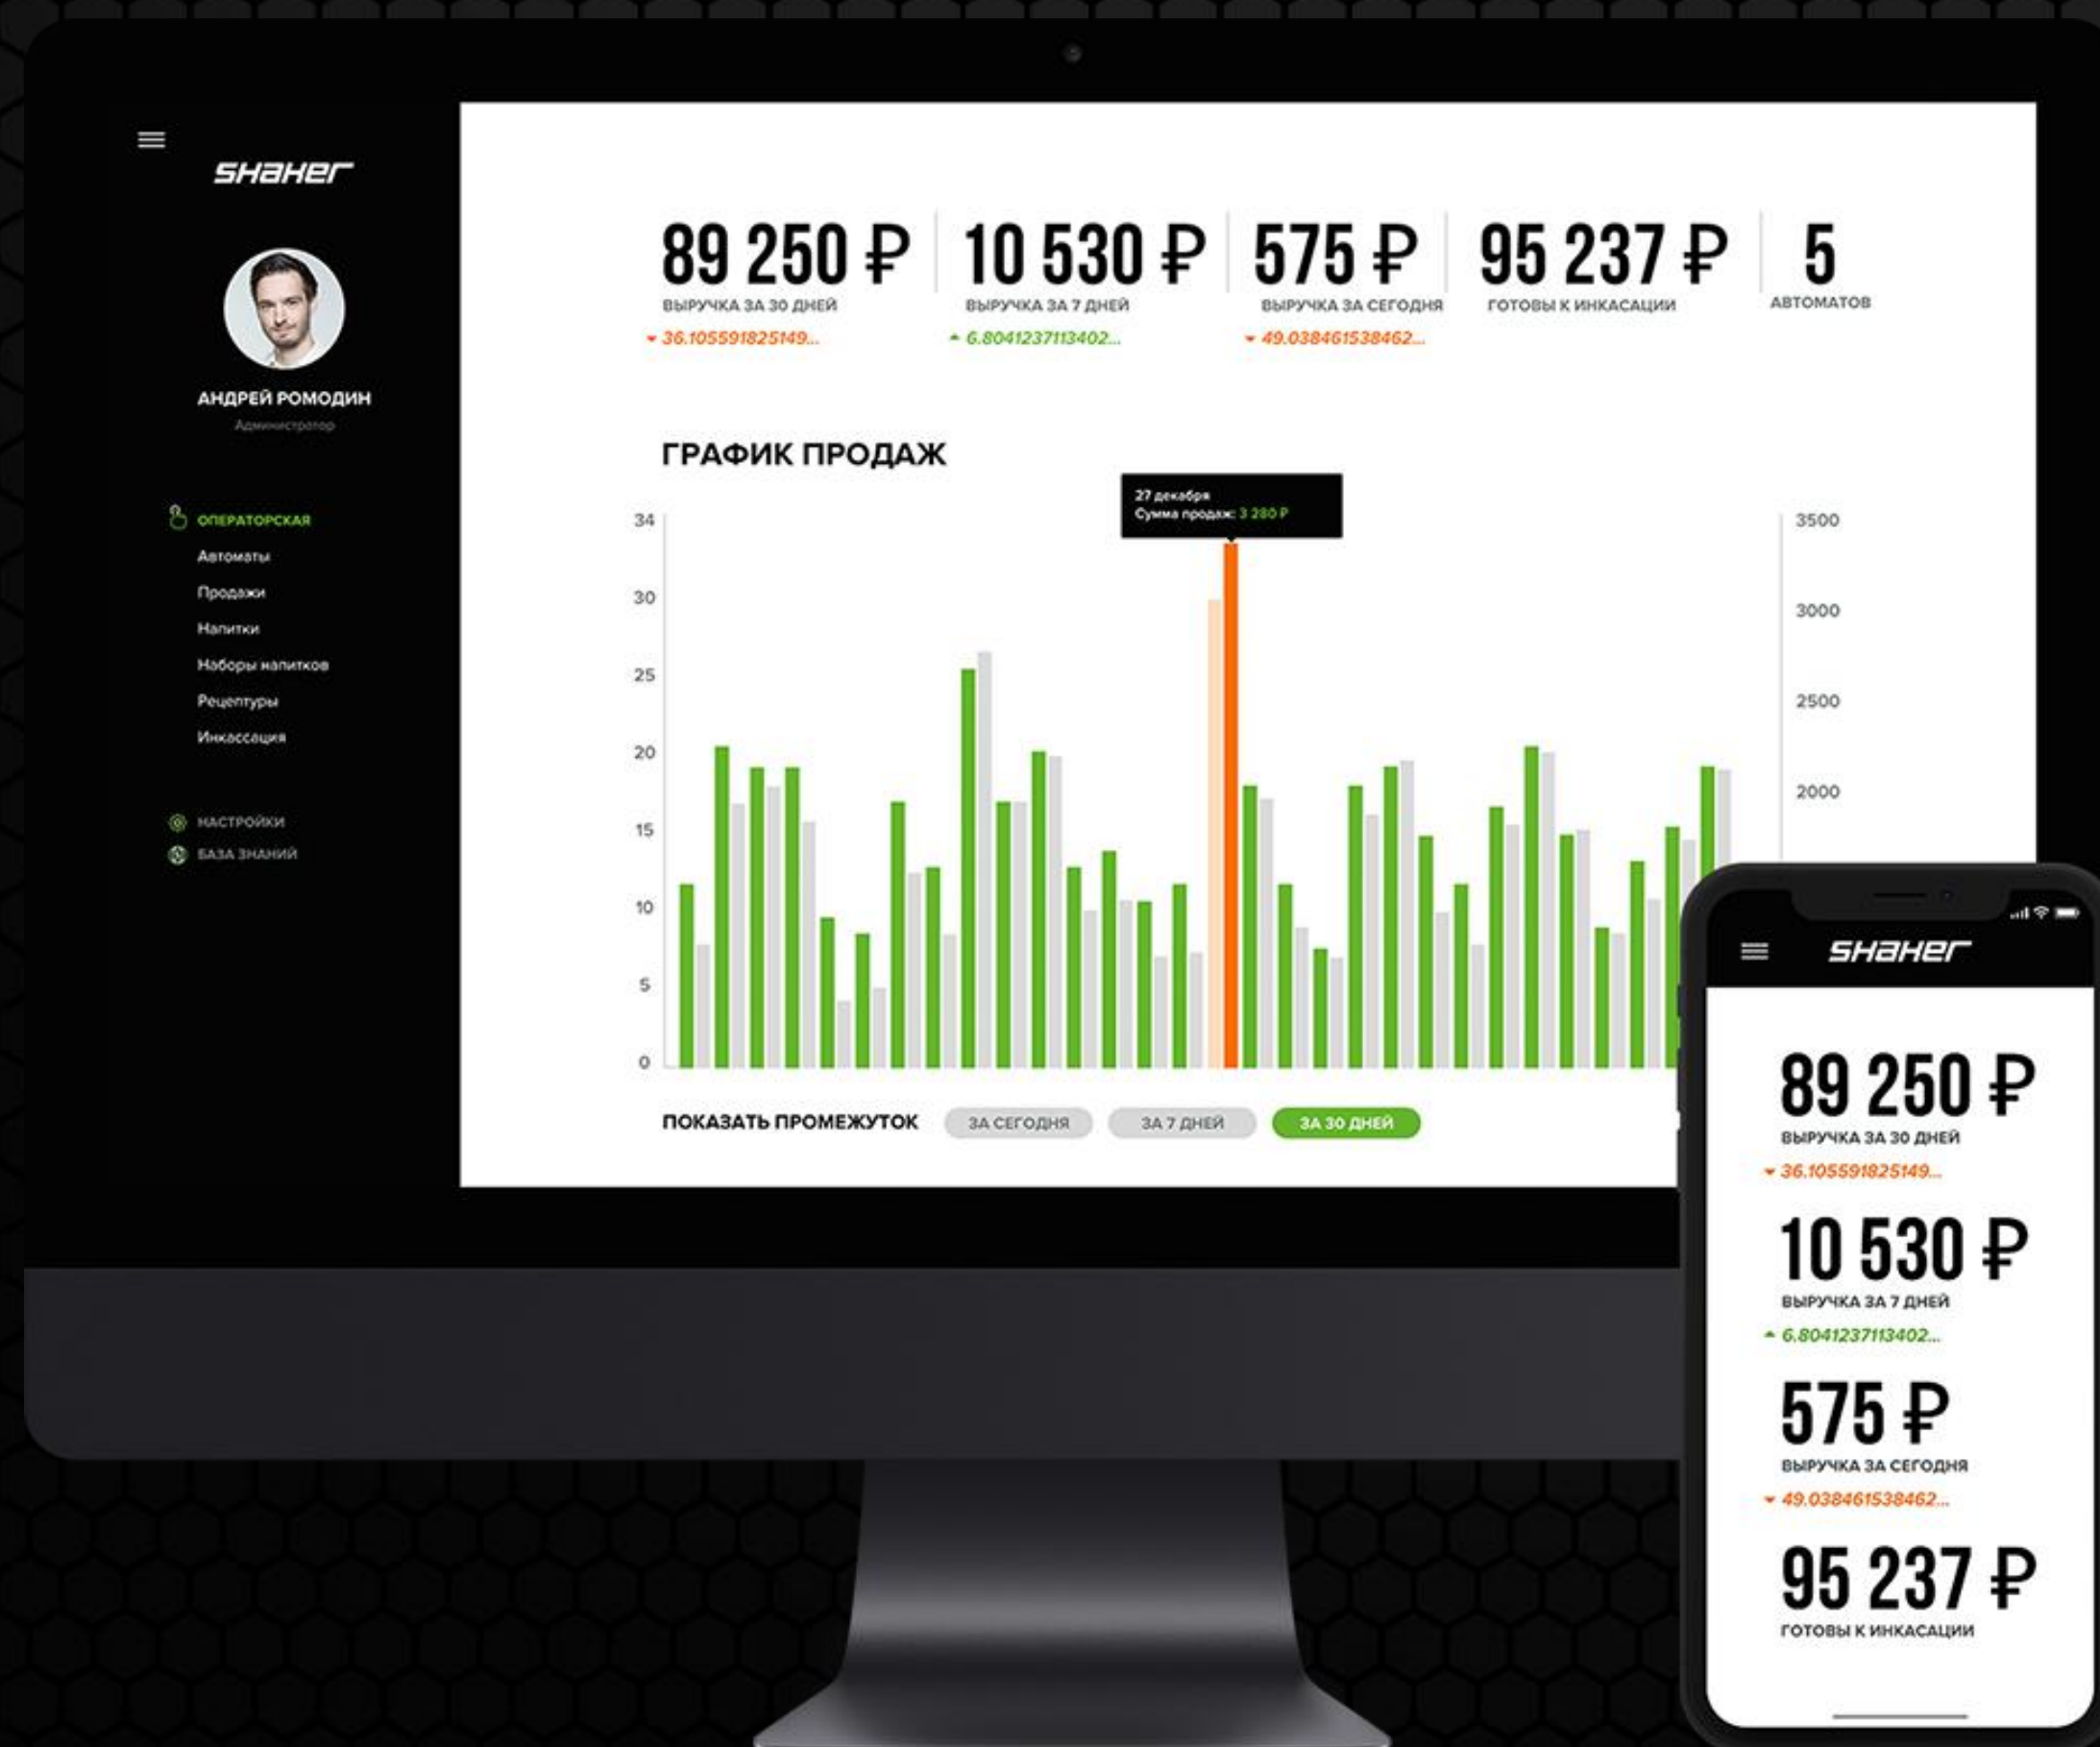

15 ADVANTAGES FOR A FITNESS CLUB

A MODERN PROTEIN MACHINE IN YOUR FITNESS CLUB

05

SHAKER MANAGEMENT SUITE

CONTROL

OWN BUSINESS ONLINE

OPPORTUNITIES TO SEE

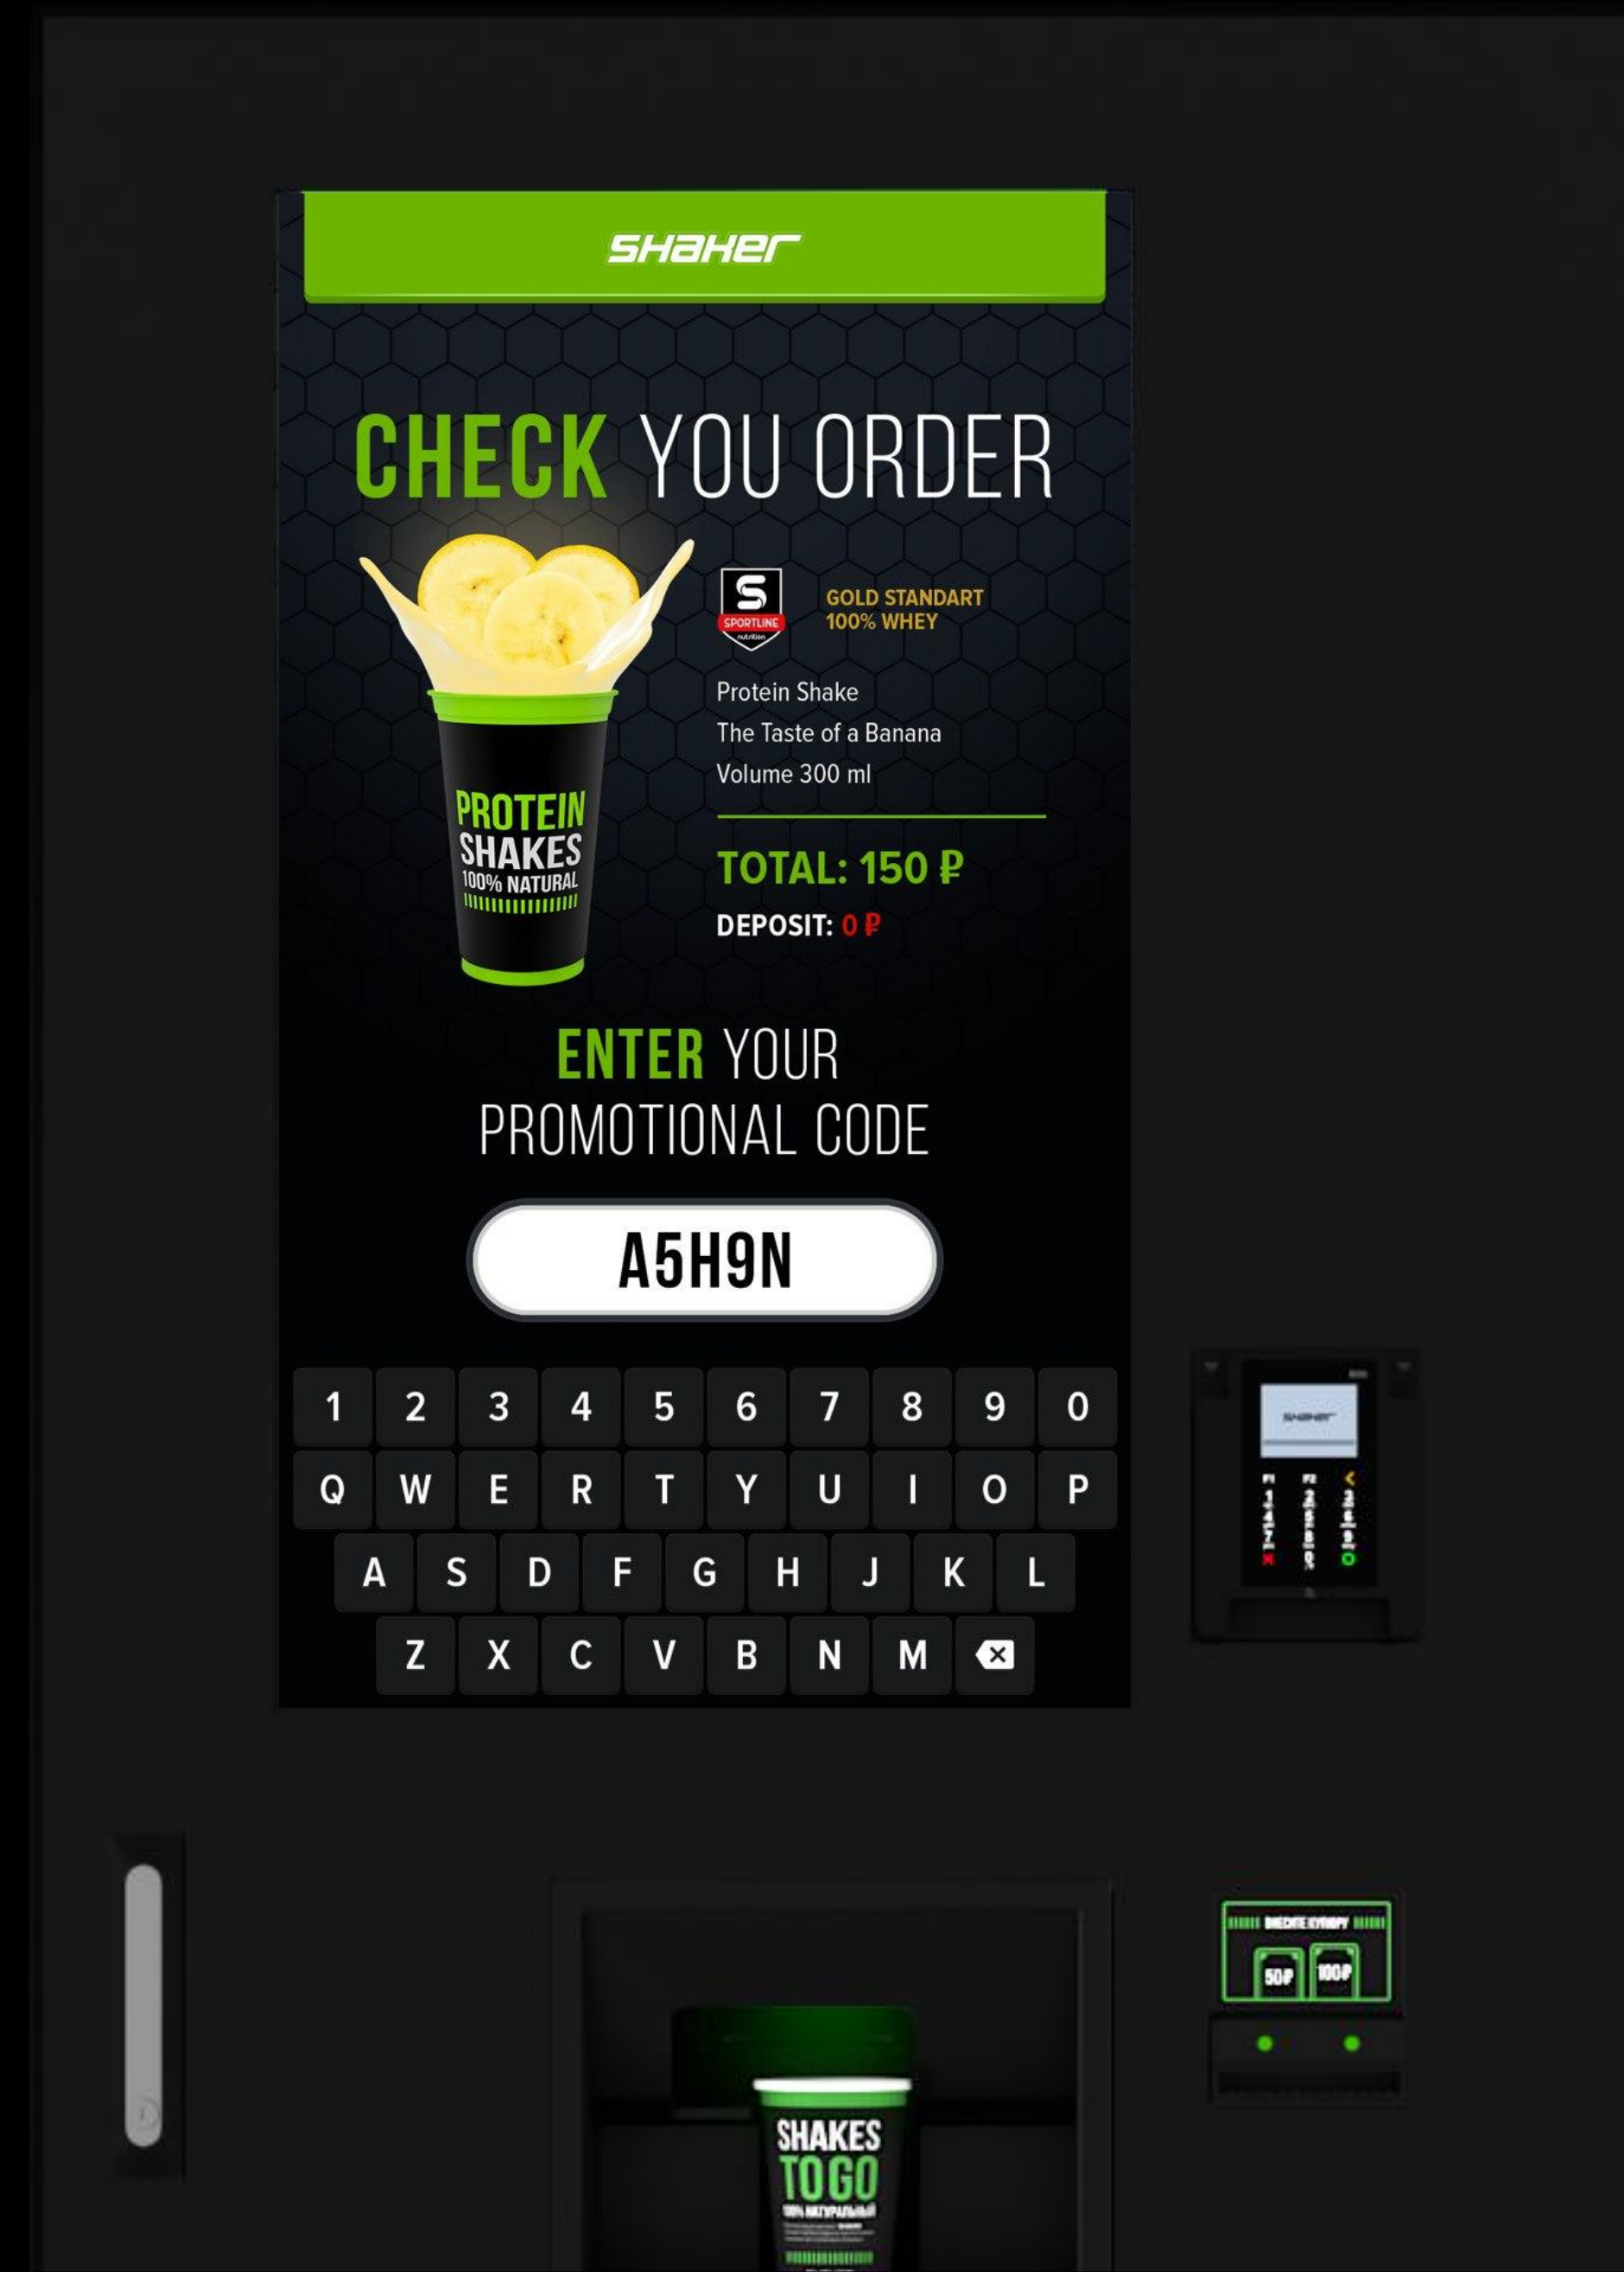

- PROFIT AND EXPENSES
- BALANCE INGREDIENTS
- ERRORS AND WARNINGS
- RECIPES
- REPORTS

06

LOYALTY SYSTEM

Create your own system inside the club:

1. Provide promotional codes to trainers and motivate them to send customers to the machine (client receives a discount, trainer %)
2. Give a new client the opportunity to try a cocktail for the first time for free
3. Distribute promo codes on social networks

05

ADVANTAGES FOR A FITNESS CLUB

IF YOUR FITNESS CLUB HAS A BAR

It will make the barman's work easier

It will cut staff spending

It will attract more clients

It will reduce waiting time

Always ideal blending

IF YOUR FITNESS CLUB HAS NO BAR

Auxiliary service

Additional income

Attracting new clients

It will need just 1 sq.m

It will make cocktails around-the-clock
